MILWAUKEE Wis, July II.—The offer of 50,000 pounds (355,000) to Jack Dempsey for a 25 round hattle with Georges Carpantier in London during frest December under the suspices of Charles B. Cochran, London promoter, hears out what I have centended for some time—that if the match ever takes place it is most likely to be held in London or Paria. The offer was made through William A Brady, the woll known theatrical man, on behalf of Mr. Cochrans.

Not only was Mr. Brady authorized to make the march but he was also empowered to deposit \$100,000 as a guarantee of good faith on the part of the London promoter. If Mr. Dempsey and his manager, Jack Kearns, are wise they will not wait for further developments, but grab off the match at once and get the \$255,000, which is an unheard of price for a 25 round boxing match.

Mere Big Meney.

It is safe to say that Carpentier will not draw down under \$200,000, as there will he state that the entire purse with ar-wood certain that the French than who will go over to the English metropolia. If the match is 100,000 are a guarantee of any that Carpentier will not draw down under \$200,000, as that Promoter In London or Paris, as there will be too for a 25 round boxing match.
